Princeton, N. J.

Dear Mr. Taylor:

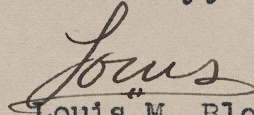

Enclosed please find your affidavits for the weeks of Feb. 9 and Feb. 16, which are being returned because they have been filled out incorrectly.

Your broadcast order states that the schedule for daily broadcasts is 5:15, 5:45, 8:45, 9:30, 10:15. Your affidavits have 9:00 instead of 8:45. The affidavits must correspond exactly to the broadcast order, down to the last detail.

This office must be notified of all changes in schedule, in advance. Unless this is done no credit can be allowed. However, if this error was simply an ~~w~~error in writing, will you see that it is corrected?

Otherwise, please make certain that the broadcasts go on as scheduled, in the future. Any deviations from plan must be sent in to the office so that the time can be made up. We request your cooperation.

Sincerely,

Louis M. Bloch, Jr.
